### About Aura 360° Mining

Aura is focused on mining in complete terms – thinking holistically about how its business impacts and benefits every one of our stakeholders: our company, our shareholders, our employees, and the countries and communities we serve. We call this 360° Mining.

Aura is a mid-tier gold and copper production company focused on the development and operation of gold and base metal projects in the Americas. The Company’s four producing assets include the San Andres gold mine in Honduras, the EPP and the Almas gold mines in Brazil and the Aranzazu copper-gold-silver mine in Mexico. In addition, the Company has the Tolda Fria gold project in Colombia and four projects in Brazil, of which three gold projects: Borborema and Matupa, which are in development; and Sao Francisco, which is on care and maintenance. The Company also owns the Serra da Estrela copper project in Brazil, Carajas region, under exploration stage.
